

School Council meeting

May 15, 2018

6:30pm – 8:00pm (School Library)

Attendance: 7

1- Principal Report: see annex

On-going activities - Swim to Survive - Grade 3 continues, Scientists in the School, in all grades; Talent Show was fantastic last Thursday during the day and that evening; hatching of chicks, and Kinder Info Night to name a few.

A huge thank you for your fundraising this school year. We have already placed the orders for 20 Chromebooks, the Levelled Literacy Intervention Resource, and recess equipment. Monique Poirier is ordering books in both languages and have arranged for All Signs to come to paint games (still waiting for sweeping up the grit to be completed).

\$27.098

3- General discussion

- End of year BBQ: we need to organize it. We'll have bouncy castle, a magician and Food trucks.
- Freshii has sent us information about their menu. We'll ask for samples and discuss about going online, what we'll have from them...
- Razkids: half of teachers are using it actively. Also Gr3 teachers would like to have it, specially for kids that struggle with reading. This year the school paid for it and they did only for Gr 1 and Gr 2. We could consider using it for Gr 3. From School perspective they will go only for Gr 1 and Gr 2. It's too expensive to take Gr 3.
- If the School Council has extra money, it is suggested that it can be used for the Music program; specially for the kindergarten (Example a set of bells for the kindergarten)
- We are allowed to carry \$2000 to next year.
